

Live For Ball

Join the fun...

Players Code of Conduct

I understand that as part of the LFB Family, my fellow family members, including the players, the coaches, and any person who carries the LFB name, are affected by my behaviour and attitude. I am prepared to commit myself to my LFB family, work hard, and give my best efforts, in everything I do, both on and off the court.

1. I will show **respect** and **appreciation** for **all** those who contribute to LFB programming
 - This means supporting and uplifting my teammates, and the players on any LFB team
 - This means **never** ridiculing, criticizing or insulting any player for any reason
 - This means accepting the calls and decisions of the coaches, officials and referees **without** gesture, question or comment, regardless of how I feel about it
 - This means being courteous and polite to opposing teams
 - This means being kind and considerate to the all of the staff, friends and family of LFB who give their time and energy to this association

2. I will be a **positive** role model for the youth of LFB, recognizing, as in any family, that children learn from and base their understanding of right and wrong from the actions of the adults around them.
 - This means demonstrating good sportsmanship at all times, regardless of whether I win or lose
 - This means conducting myself in an appropriate manner when in their presence, ensuring that my actions do not reflect adversely on myself, my team or my LFB family
 - This means encouraging them to work hard at reaching their goals
 - This means teaching them, by my example, what it means to be a valuable member of the LFB family
 - This means doing my part to mentor and guide the young people that I come in contact with in an enriching and constructive manner
 - This means doing all I can to support them in becoming positive, respected and successful men and women

3. I will Have Fun and LIVE FOR BALL!!

By signing this contract I confirm that I have read, understand, and agree to abide with, the above expectations. I understand that failure to do so is unacceptable within the LFB family and will result in repercussions.
